## P&K Development Group Competition 17<sup>th</sup> June

On Sunday 17<sup>th</sup> June the P&K Development Group held the Foundation Level and the Beginner & Intermediates Floor & Vault Championships.

For many of our gymnasts this was their first competition experience and there were a few nerves on the day; mainly from the parents for whom this was their first competition experience too!

The gymnasts kept their nerves in check and all produced lovely clean floor routines and vaults, the coaches were delighted with how well everyone competed and the great results achieved.
